

(e) Educational visitor status; foreign residence requirement; waiver

No person admitted under section 1101(a)(15)(J) of this title or acquiring such status after admission (i) whose participation in the program for which he came to the United States was financed in whole or in part, directly or indirectly, by an agency of the Government of the United States or by the government of the country of his nationality or his last residence, (ii) who at the time of admission or acquisition of status under section 1101(a)(15)(J) of this title was a national or resident of a country which the Director of the United States Information Agency, pursuant to regulations prescribed by him, had designated as clearly requiring the services of persons engaged in the field of specialized knowledge or skill in which the alien was engaged, or (iii) who came to the United States or acquired such status in order to receive graduate medical education or training, shall be eligible to apply for an immigrant visa, or for permanent residence, or for a non-immigrant visa under section 1101(a)(15)(H) or section 1101(a)(15)(L) of this title until it is established that such person has resided and been physically present in the country of his nationality or his last residence for an aggregate of at least two years following departure from the United States: *Provided*, That upon the favorable recommendation of the Director, pursuant to the request of an interested United States Government agency (or, in the case of an alien described in clause (iii), pursuant to the request of a State Department of Public Health, or its equivalent), or of the Commissioner of Immigration and Naturalization after he has determined that departure from the United States would impose exceptional hardship upon the alien's spouse or child (if such spouse or child is a citizen of the United States or a lawfully resident alien), or that the alien cannot return to the country of his nationality or last residence because he would be subject to persecution on account of race, religion, or political opinion, the Attorney General may waive the requirement of such two-year foreign residence abroad in the case of any alien whose admission to the United States is found by the Attorney General to be in the public interest except that in the case of a waiver requested by a State Department of Public Health, or its equivalent, or in the case of a waiver requested by an interested United States Government agency on behalf of an alien described in clause (iii), the waiver shall be subject to the requirements of section 1184(l) of this title: *And provided further*, That, except in the case of an alien described in clause (iii), the Attorney General may, upon the favorable recommendation of the Director, waive such two-year foreign residence requirement in any case in which the foreign country of the alien's nationality or last residence has furnished the Director a statement in writing that it has no objection to such waiver in the case of such alien.

(f) Suspension of entry or imposition of restrictions by President

Whenever the President finds that the entry of any aliens or of any class of aliens into the United States would be detrimental to the inter-

ests of the United States, he may by proclamation, and for such period as he shall deem necessary, suspend the entry of all aliens or any class of aliens as immigrants or nonimmigrants, or impose on the entry of aliens any restrictions he may deem to be appropriate. Whenever the Attorney General finds that a commercial airline has failed to comply with regulations of the Attorney General relating to requirements of airlines for the detection of fraudulent documents used by passengers traveling to the United States (including the training of personnel in such detection), the Attorney General may suspend the entry of some or all aliens transported to the United States by such airline.

(B) has a son or daughter who is a United States citizen, or an alien lawfully admitted for permanent residence, or an alien who has been issued an immigrant visa; or

(C) is a VAWA self-petitioner,

(B) for whom a civil surgeon, medical officer, or panel physician (as those terms are defined by section 34.2 of title 42 of the Code of Federal Regulations) certifies, according to such regulations as the Secretary of Health and Human Services may prescribe, that such vaccination would not be medically appropriate, or

(C) under such circumstances as the Attorney General provides by regulation, with respect to whom the requirement of such a vaccination would be contrary to the alien's religious beliefs or moral convictions; or

(3) subsection (a)(1)(A)(iii) of this section in the case of any alien, in accordance with such terms, conditions, and controls, if any, including the giving of bond, as the Attorney General, in the discretion of the Attorney General after consultation with the Secretary of Health and Human Services, may by regulation prescribe.

(h) Waiver of subsection (a)(2)(A)(i)(I), (II), (B), (D), and (E)

The Attorney General may, in his discretion, waive the application of subparagraphs (A)(i)(I),

(B), (D), and (E) of subsection (a)(2) of this section and subparagraph (A)(i)(II) of such subsection insofar as it relates to a single offense of simple possession of 30 grams or less of marijuana if—

(1)(A) in the case of any immigrant it is established to the satisfaction of the Attorney General that—

(i) the alien is inadmissible only under subparagraph (D)(i) or (D)(ii) of such subsection or the activities for which the alien is inadmissible occurred more than 15 years before the date of the alien's application for a visa, admission, or adjustment of status,

(ii) the admission to the United States of such alien would not be contrary to the national welfare, safety, or security of the United States, and

(iii) the alien has been rehabilitated; or

(B) in the case of an immigrant who is the spouse, parent, son, or daughter of a citizen of the United States or an alien lawfully admitted for permanent residence if it is established to the satisfaction of the Attorney General that the alien's denial of admission would result in extreme hardship to the United States citizen or lawfully resident spouse, parent, son, or daughter of such alien; or

(C) the alien is a VAWA self-petitioner; and

(2) the Attorney General, in his discretion, and pursuant to such terms, conditions and procedures as he may by regulations prescribe, has consented to the alien's applying or reapplying for a visa, for admission to the United States, or adjustment of status.

No waiver shall be provided under this subsection in the case of an alien who has been convicted of (or who has admitted committing acts that constitute) murder or criminal acts involving torture, or an attempt or conspiracy to commit murder or a criminal act involving torture. No waiver shall be granted under this subsection in the case of an alien who has previously been admitted to the United States as an alien lawfully admitted for permanent residence if either since the date of such admission the alien has been convicted of an aggravated felony or the alien has not lawfully resided continuously in the United States for a period of not less than 7 years immediately preceding the date of initiation of proceedings to remove the alien from the United States. No court shall have jurisdiction to review a decision of the Attorney General to grant or deny a waiver under this subsection.
